

Semi-Automatic Lid Press

Semi-Auto Press (SALP)

- 7 Presses / Min
- Pails- Plastic / Metal

Container Size

*2.5 to 7-gallon Pails

Output

~ 7 Containers per Minute

Electrical Requirements

Nor Required

Pneumatic Requirements

80 to 110 P.S.I. -12 C.F.M.

@ 35 to 105 degrees F

*Optional Metal lids

501-S Semi-Auto Press (SALP) on Portable Cart

Available Options

- Stainless Steel Upgrade
- Portable Cart System

- Crimper Head

Semi-Automatic Lid Press

- **Dimension:** 48" L x 24" W x 63" H
- **Conveyor Size:** 48" L x 11" W
- **Description:** Manual positioning and activation with two-hand safety controls. Includes height adjustment, floor stand, air filter regulator and 48" gravity conveyor.

Data Scale is a winner of the prestigious Vaaler Award, given by the Chemical Processing Industry, for innovative product design.

Leading companies.
 Leading solutions.

PMMI members are globally renowned for making the highest quality equipment, offering responsive service and committing to meeting their customers' needs. That is why one out of every four machines sold around the world is made by a PMMI member company

Since 1973, Data Scale has been the industry leader in liquid net weight filling equipment for food and chemical industries. Data Scale is the oldest continually owned and operated manufacturer of liquid net weight drum & pail filling equipment in North America. Data Scale can provide application system integration, providing innovative real-world solutions for your liquid filling and automation needs.

Automatic Lid Press

Automatic Lid Press (ALP)

- 20 Presses / Min
- Pails- Plastic / Metal

Container Size

*2.5 to 7-gallon Pails

Output

Up to 20 Containers per Minute

Electrical Requirements

230/460 VAC 3 Phase

Pneumatic Requirements

80 to 110 P.S.I. -12 C.F.M.

@ 35 to 105 degrees F

*Optional Metal lids

Lid Placer Automatic Lid Press (ALP)

Available Options

- Stainless Steel Upgrade
- Portable Cart System

- Crimper Head

Automatic Lid Press

- **Dimension:** 48" L x 30" W x 66" H
- **Conveyor Size:** 48" L x 11" W
- **Description:** Automatically seals pre-placed lids onto pails. Includes height adjustment, floor stand, air filter regulator and 48" gravity conveyor.
